

EB-1 & EB-3 Exit Buttons

The Sensor Access EB-1 and EB-3 plastic surface mount exit buttons provide exit triggers offering flexible solutions in a variety of applications.

These switches are ideal for low to medium traffic use (standard UK template)

Key Features

- Sturdy plastic
- Internal use
- High quality
- Back-box format
- Standard or architrave design

The exit button comes in two different sizes, standard and narrow (with an architrave style). They come complete with a back box for surface mounting.
